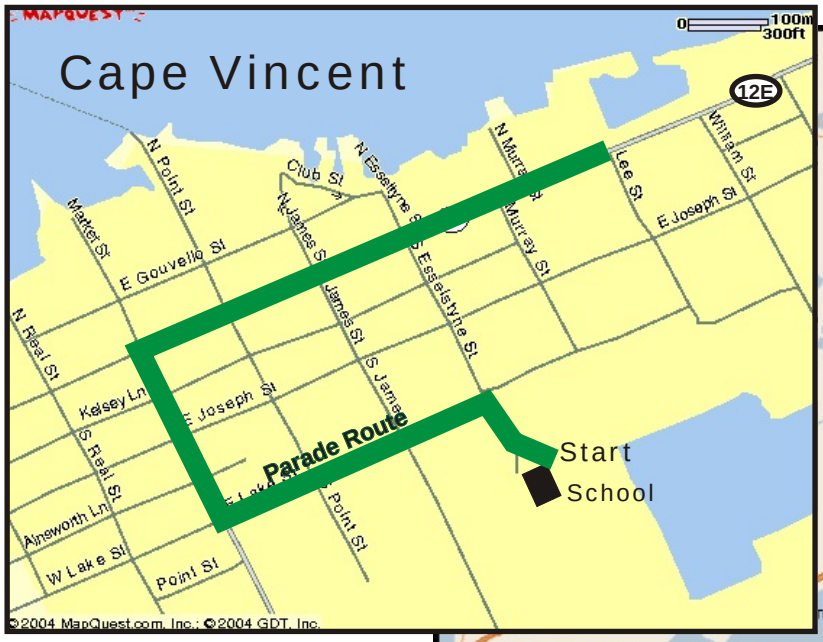
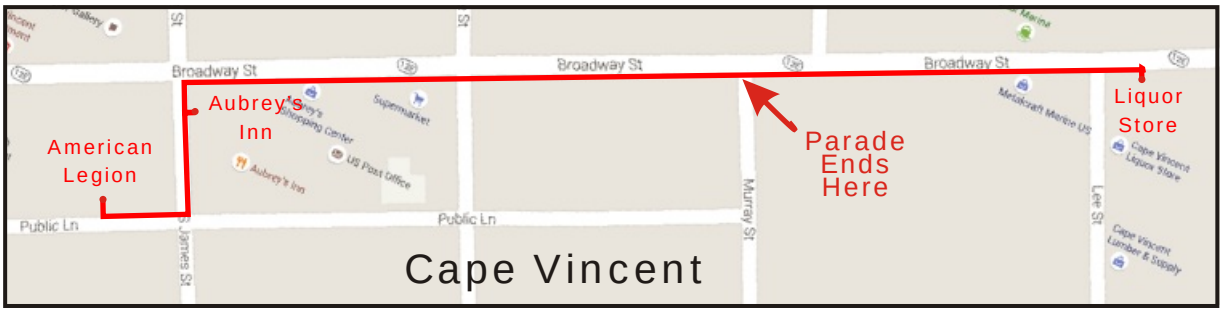
Cross to the USA at the Ivy Lea Bridge (could be busy at US Customs) or the Johnstown Bridge (a longer distance to drive, but less busy).

Follow route Route 12 (from Ogdensburg take Route 37 Southwest to Route 12) through Clayton (becomes Route 12E) to Cape Vincent.

Turn left on S. Esseltyne Street; park in the vicinity of the school, preferably in the shade! – this is the assembly point and the start point for the parade.

Distance to Cape Vincent: 87 km





After the parade we normally follow the Pied Piper, Scott Fraser, into the Cape Vincent Liquor Store where we play a set in exchange for a free beer. Then we go back along the main street and into Aubrey's Inn where we play several sets in exchange for several free beer. After which we might make it to the American Legion where beer is for sale. And after all that, we play in the Massed Pipe Bands on the main street.
